

# HOME MAINTENANCE

Date:

## Monthly:

- Check fire extinguisher/replace if needed.
- Clean sink/tub stoppers/drain holes.
- Flush garbage disposal with hot water and baking soda.
- Check water softener and replenish.
- Change filters in forced air heating system once a month if user's manual recommends fiberglass filters.

## Every 2 months:

- Clean grills in wall furnace.
- Clean grease filter in range hood.

## Every 3 months:

- Clean aerator in faucets.
- Clean out debris in tub drain assembly; inspect rubber seal and replace if needed.
- Clean out debris in floor and outdoor drain grates.

## Notes:
